2017  
PERFORMANCE

# RXT® 260

With the Ergolock seat and 42.8 US gal (162 L) of storage to give you a better riding experience, plus the performance essentials of higher-priced models, you get control, precision and handling, along with great horsepower for this price level.

# 3

## RIDER CAPACITY

Weight capacity 600 lb / 272 kg

## DIMENSIONS

Fuel capacity	15.9 US gal / 60 l
Length	139.2" / 353.5 cm
Width	48.2" / 122.4 cm
Weight (dry)	894 lb / 406 kg
Storage capacity	42.8 US gal / 162 l

## ENGINE

Type	Rotax 1503 HO 4-TEC®
Intake system	Supercharged with external intercooler
Displacement	1,494 cc
Cooling	Closed-Loop Cooling System (CLCS)
Reverse system	Electronic iBR®
Starter	Electric
Fuel type	87 octane – minimum 91 octane – recommended

Black & Octane Blue ab

**iTC** / **iBR** / **S<sup>3</sup>** / **CLCS** / **ECO**

## HULL

Type S<sup>3</sup>

- Longer platform
- Rough water inspired deep-V hull
- Stable and predictable

## ENGINE

1,494 cc four-stroke, Rotax with three cylinders in-line and four valves per cylinder	Supercharged with an external intercooler, the advanced technology of the Rotax 1503 HO provides proven and reliable performance, with a maintenance-free booster.
iTC™ (Intelligent Throttle Control) system	Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features activity-specific Touring, Sport and ECO™ modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.
iControl® Learning Key®	The programmable Learning Key allows you to limit the performance of the PWC based on rider skill-level.
D-Sea-Bel™ system	Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.
Closed-Loop Cooling System	Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

## FEATURES

iControl	The "Brain" that integrates and controls all systems to create the best possible ride.
S <sup>3</sup> Hull®	Stepped, stable & strong. The stepped design reduces drag and keeps you glued to the water.
Touring mode / Sport mode	Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides all acceleration performance for a more aggressive throttle response.
ECO mode	This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.
Hinged seat	Easy-open seat with convenient stay-open support struts. Provides easy access to the engine compartment while remaining attached to the watercraft.
Ergolock seat	Seat with narrow profile and knee support that lets people sit in a more natural position and lock in with their legs for more control and less upper body fatigue.
High-performance VTS (Variable Trim System)	The VTS adjusts the angle of the nozzle to change the behavior of the watercraft and improve parallelism to the water. The high-performance VTS provides pre-set positions for quick settings.
Reboarding ladder	Makes reboarding from the water easier and quicker.
Ski tow eye	For easy and secure attachment of ski rope.
Watertight, removable storage bin	Provides dry storage for luggage and necessities with easy access.
Tilt steering	4 adjustable steering angles for maximum ease and comfort.
RF D.E.S.S.™ Key	With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.
Interactive Multifunction Digital Information Center	VTS preset, Cruise control, Slow mode, Fuel consumption instant & average, Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO mode, F-N-R indicator and more.

## FEATURES CONTINUED

- Handgrips with palm rest
- Sponsons
- Bumpers
- Wide-angle adjustable mirrors
- Large front storage compartment
- Footwell carpets with Sea-Doo logo pattern
- Swim platform carpet with Sea-Doo logo
- Rear grab handle
- Seat strap
- Quick latch fuel filler design
- Dual drain plugs
- Flush kit
- Emergency floating lanyard
- Operator's guide, instructional video and booklet

## PROPULSION SYSTEM

iBR (Intelligent Brake & Reverse) system	First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 2nd generation, the intuitive and improved iBR allows you to stop close to 160 feet sooner <sup>1</sup> for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.
Stainless steel impeller	Delivers improved acceleration, higher top speed and less cavitation.

## OPTIONS

- Retractable Ski Pylon
- Wakeboard Rack
- Depth Finder
- Ski Module
- X package module (Time / distance to empty, Top / average speed / RPM, Lap timer and Engine temperature)
- Sea-Doo Speed Tie™
- Dry Bag
- Glove Box Organizer Kit
- 12-Volt Outlet and Installation Kit
- Safety Equipment Kit
- Bilge Pump Kit
- Sandbag Anchor
- Fire Extinguisher
- Snap-in Fenders and Installation Kit
- Sea-Doo Move Trailer
- Watercraft Cover

## WARRANTY

BRP limited warranty covers the watercraft for one year.
